

# INDIAN INSTITUTE OF CHEMICAL ENGINEERS (IICHE) KANPUR REGIONAL CENTRE

## Annual Activity Report (July 2017-June 2018)

- (1) Engineers' day was celebrated on September 15, 2017 by the IICChE Student Chapter of Department of Chemical Engineering UIET CSJMU University Kanpur. A quiz competition was organized on the occasion in which about 100 students from UIET and AITH Kanpur participated. First, second and third winners were presented medals. The quiz was followed by an invited lecture by Prof. R. K. Tripathi, Chairman of Indian Institute of Chemical Engineers Kanpur Regional Centre (IICChE KRC) and Head of Oil Technology Department HBTU Kanpur. Dr. Tripathi explained the approaches needed for sustainable development of chemical industry that included saving of energy, reducing wastage and hazards. Vice President of IICChE KRC - Dr. Rajesh Garg also addressed the students on professional development. Honorary Treasurer of the Institute and Head Chemical Engineering Department AITH, Kanpur -Mr. Ashutosh Mishra and retired Professor of HBTI Mr Subhash Sharma were also present among faculty members of Chemical Engineering Department of UIET, CSJM University.
